Redbridge Primary School Nursery Admissions Policy 2020/21

Rationale

We believe that all young children should have an equal opportunity to access high quality, Early Years Education.

To ensure all stakeholders understand our commitment to equalities and fairness we believe there needs to be clarity with regard to the priorities, criteria and procedures for allocating places at Redbridge Nursery.

Aims

- To have a fair and consistent process for allocating places.
- To ensure a socio-economic balance in our intake, from which all children benefit and thrive whilst upholding equal opportunities.
- To ensure all applicants are equally valued and that families are able to express their and their children's needs.

Guidelines

Children can be admitted to the Nursery Class at the start of the academic year (September) following their third birthday, if places are available. Attendance will either be on a part time basis (15 hours) or a full time basis (30 hours). All children who are three and four are entitled to 15 hours funded childcare.

From September 2020, some working parents will be entitled to 30 hours funded childcare i.e. both parents need to be working a minimum of 16 hours per week. To check your eligibility, please go to www.childcarechoices.gov.uk.

If parents do not qualify for 30 hours it may be possible to apply for an additional 15 hours at a charge (if spaces are available) For further information contact Mrs Rana, Admissions Officer.

This is a school nursery class and therefore operates during term times only. Should your child be entitled to 30 hours and stay for lunchtime, there will be a charge for lunchtime supervision. Fees will be payable monthly in advance at a rate.

Admission to the Nursery Class does not constitute a guarantee of a place in the Primary School nor does it preclude the admission of a child to any other Infant or Primary school in the area.

The school will maintain an application list of pupils seeking admission to the Nursery. Inclusion of a child's name on the list does not constitute a guarantee of a place. An application form for a nursery place should be

completed by parents and submitted to the school. Notifications of a place are sent to parents and this will need to be accepted in writing. The school may need to take account of the balance between mornings, afternoons and all day places, however, so it may not be possible to fulfil all parents' requests.

Our Nursery session times

Lunchtime	11.30am-12.30pm

Terms and Conditions

Introduction

We are delighted that you have chosen Redbridge Primary for the care and education of your child.

To ensure the smooth running of our nursery, we expect all parents and guardians to adhere to the following Terms and Conditions. A signature from parents/guardians on the child's registration form is all that's required to accept these Terms and Conditions.

Registration

In order to book a place at the nursery, a signed and fully completed registration form, including two emergency contacts must be received by the school office. We require to see a copy of the child's birth certificate. A £100.00 deposit per child is required before a place can be confirmed. £50 deposit is then refundable providing that one month's notice has been given in writing that the child is leaving, and the child has been attending nursery for at least three months. Please note that a deposit and registration fee is not required for those children attending funded sessions only.

Settling in

The settling-in period is intended to bridge the gap for the child between home and nursery. It should help them to become accustomed to the nursery and form an attachment with their key person, who will be with them for much of the time.

Preparation is the key to success so that when the time comes everybody and everything is ready to get the child off to a good start.

Full- fees are charged during the settling in period which can last from 2-4 weeks. (The well-being of each child is the nurseries first priority and settling in strategies may be subject to change)

Arrival of children

We do not offer a drop in service therefore, expect all children to arrive punctually for their session.

Full-time and morning session starts at **8:50am**

Afternoon session starts at **12:40pm**

Parent Conduct

We expect parents, carers and visitors to:

- Respect the caring ethos and values of our school.
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that **all** members of the school community should be treated with respect.

In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting any behaviour that could be deemed threatening, intimidating or inappropriate. We expect all adult to set a good example in their own speech and behaviour.

Nursery Fees & Charges

Fees are invoiced monthly and are due for payment on the first of the month. Late payments will be subject to a charge of £20. You will be charged for each session, regardless of whether your child attends. The nursery is closed on all bank holidays and for 6 business days over the school year. Fees will be charged as normal for these days. Fees are also payable if the nursery is closed for any event beyond our reasonable control, including, but not limited to, lack of essential services, Covid spike or weather conditions.

We calculate your monthly fees using the formula: cost of weekly sessions x 39 weeks which is spread across 12 months = fixed monthly amount.

Your first invoice will be calculated using your child's first settling in day until the end of the month. This invoice must be paid in advance before or on your child's first day of attendance.

Your final invoice will be 4 weeks from the date of your written confirmation of leave date. You will be required to pay the full fees for the 4 weeks' notice. Your child may attend during this time unless you have breached the childcare contract terms and conditions. Please ensure all payment confirmation is sent to remittanceadvice@redbridgeprimary.redbridge.sch.uk, you will receive a confirmation of payment via this email.

Arrears

Any fees still outstanding after the 15th of the month will incur a £20.00 charge. Please note that if your monthly fees are unpaid by the end of the month, the nursery place will be suspended until the debt has been paid. Please note that fees are still charged during any suspension period. Any costs incurred as a result of suspension or termination will be paid by the parent/guardian of the child. Failure to meet payments will unfortunately result in the termination of the nursery place and in such circumstances the parents will not be entitled to a refund of any fees or deposit.

Early Years Education Funding

All children are entitled to Universal Early Years Funding (15 hours) which is paid directly to the nursery.

In order for the nursery to claim this funding you will need to provide a copy of your child's birth certificate and complete a declaration form stating where you are claiming the free entitlement. During funded hours, the nursery will offer free nursery education, the only charge during these hours is for food, drinks, and for any extra-curricular activities that are provided.

We also offer 30 hours funding. Eligibility for the 30 hours can only be confirmed by HMRC after parents complete an online application and eligibility is based upon parent's earnings and hours. If you are eligible you will be issued a code. During your child's year in the nursery you will have to reconfirm your eligibility by logging into your HMRC childcare account every 3 months, the school will check this termly during your child's enrolment in the nursery. If you apply for your code more than 3 months before the term starts, you'll have to reconfirm your eligibility in your account in order to keep your code valid. If you become ineligible to the 30 hour offer or if you do not reconfirm your eligibility in time for the start of a new term your funding option will change to a fee paying place (Option B).

Cancellation/Termination/Change

We require 30 days' notice, in writing, should you wish to terminate your place for any reason. Parents remain liable for fees throughout the notice period and all fees that are outstanding need to be cleared at the beginning of the notice period in order for the nursery to admit the child. If a parent withdraws their child during this notice period, the fees shall still remain payable. When families leave Redbridge Primary, it is their responsibility to cancel any future payments to the nursery. Any overpayments that need to be refunded, will incur an admin fee of £20.

We reserve the right to terminate a place with immediate effect if parents fail to adhere to our terms and conditions, if any fees are not paid by the due date, or if a parent/guardian displays abusive, threatening or otherwise inappropriate behaviour.
