Dear Families,

I am writing to let you know that we are now in a position to start opening up parts of the school building after hours and at weekends for lettings. We have created a new specific policy and pricing structure for this and I want our parents to be the first to be able to take advantage of this new opportunity before we open it up to the wider local community.

We are delighted to now be able to host children’s parties, and other celebratory functions and can offer space for local sports groups such as football, netball, rugby, basketball, cricket etc. We would also be keen to host Scouts, Cubs, Brownies or Girl Guide groups and other such child focussed organisations.

The school has two large halls, a kitchen/dining area, school field and an Arts Space, all of which are of good size and have access to toilets. We will also be able to offer access to our private car park for functions which can accommodate around 20 vehicles.

If you or anybody you know are interested in hiring any of the school’s out of hours facilities please contact Ms Khanam in the school office and she will be glad to give you all the details you need regarding this.

All monies raised from our lettings will be used to enhance the in-school facilities for our children and will be gratefully received.

Yours sincerely,

Steve Davies
Head Teacher
